A B.A. degree is awarded from the College of Arts and Sciences upon completion of both the general University and Cinema Studies major requirements. Students should be aware of the general University requirements concerning graded hours, satisfactory performance, and upper-division hours. A minimum of 62 upper-division hours are required for graduation (i.e., between 26 and 34 hours of upper-division work in addition to that required for the major). It is the student's responsibility to ensure all requirements are met. To check your degree progress, access your degree audit report through DuckWeb.
